

FACULTY SENATE RESOLUTION 91-03 (Amended)

WHEREAS LSU has a culturally diverse student body, faculty, and staff; and

WHEREAS universities should promote understanding, respect, and dignity for members of culturally diverse groups through the educational process; and

WHEREAS multiple incidents of harassment have occurred on campus that would have been prevented with understanding, respect, and dignity for members of culturally diverse groups;

THEREFORE BE IT RESOLVED that the Faculty Senate form an ad hoc committee to develop proposals to promote appreciation of cultural diversity in the classroom and within student-faculty relationships. This committee would then report its resolutions for vote by the Faculty Senate.
